

Summer Marine Adventures Camps 2010

*Camps are held from 9am-5pm.
Drop off from 8:30-9am and pick up from 5-5:30pm.*

1, 2. Estuary Explorers June 9-11 (\$125.00 per child)

Students entering 1st & 2nd grade Fall 2010/ Students entering 3rd & 4th Grade Fall 2010

Do you know what brackish means? Can fish really change colors? How many fish are unique to Tampa Bay? Travel with us to Weedon Island to learn more about natural Florida and the aquatic and upland ecosystem. This three day camp is packed with adventure and surprise!

3. Explore the Bay... June 14-18th (Cost to be determined)

This camp is only for children ages 9-12 years old who are deaf or hard of hearing; priority will be given to children of Pinellas County. Please call for more information to apply.

Join us for a unique camp experience unlike any other. Each day will be filled with a new topic and adventure to learn about this amazing Estuary that is Tampa Bay. From sharks, sting rays, marine mammals, aquatic plant life and fascinating marine invertebrates, there is so much to explore!

4. Let's Get Fresh: June 21-25 (\$200.00 per child)

Students entering 3rd & 4th Grade Fall 2010

Join us on a "fresh" adventure as we explore the origins of Earth's water. Painting, drawing and a trip to Crystal Springs Preserve are all on the agenda so bring your artistic side and get ready to explore the rivers and streams of Florida.

5. Go with the Flow: June 28-July 2 (\$200.00 per child)

Students entering 5th & 6th grade Fall 2010

Did you know that everyone lives in a watershed? Do you know the difference between surface and ground water? Flow through the water with us as we learn the effects water has on human, plant and animal life. Students will visit Weedon Island Preserve and Shell Key for artistic inspiration!

6. Worlds of Water: July 5-9 (\$200.00 per child)

Students entering 1st & 2nd grade Fall 2010

Does marine life exist in all depths of the ocean? Why is the ocean water salty? Dive into another world as we explore the Earth's oceans. Travel with us to Mote Marine Lab, The Florida Aquarium and the Estuary of Tampa Bay in our back yard. Translate your new found knowledge of the ocean through a variety of art.

7. Adventures Afloat July 12-16 (\$250.00 per child)

Students entering 5th & 6th grade Fall 2010

Grab your life jacket and climb aboard with us as we take an adventure above water. Learn valuable lessons in boating safety and enjoy a full day of sailing lessons. Become an expert on Florida's fishing regulations and put your knowledge to the test.

8, 9. Marine Mammals July 26-30 (\$250.00 per child)

Students entering 1st & 2nd grade Fall 2010/ Students entering 3rd & 4th Grade Fall 2010

Though sometimes mistakenly referred to as fish, dolphins, manatees and whales are actually mammals. Travel with us to the Clearwater Aquarium and a few other surprise locations for some close encounters! Discover how these mammals have learned to survive in world without air.

10, 11. Elasmobranch Encounters Aug 2-6 (\$250.00 per child)

Students entering 3rd & 4th Grade Fall 2010/ Students entering 5th & 6th grade Fall 2010

Did you know a shark may grow and use over 20,000 teeth in a lifetime? Did you know that most sharks will sink if they stop swimming? If you want to discover the mysteries and misconceptions about sharks and sting rays, this camp is for you!
