FREE PROGRAM Ocean in Motion

Bring The Pier Aquarium to your classroom! The "Ocean in Motion" program provides classes in Pinellas County the opportunity to learn about marine science and animal care through a variety of hands-on activities. Participating schools are provided a working touch tank aquarium, animals collected by the students at Spa Beach, maintenance support and a six-week ocean education curriculum. A Marine Education Staff member will visit your classroom once a week for an organized program.

3rd-5th Grade: Ages 8-11

FREE six-week program
